May the P.W.D. be asked if they can provide the ways & means for this work which is reported to be urgent?

Otherwise, special funds will have to be given for the expenditure.

The number of persons confined in the Taluk Lock-up at Davangere during the three years, 1898-99 to 1900-1901, was as follows:-

Official year	No of Persons Confined.	Average No for each month of the year
1898-99	135	11·25
1899-1900	161	13·42
1900-1901	227	18·91
Average No for each year	174·3	14·53

The Inspector General reports that the present Taluk Cutchery at Davangere has not been built according to new design and that if the building proposed to be constructed to accommodate the Taluk Cutchery, the Munsiff's Court and the Assistant Commissioner's Office, is constructed

lease see letter No. 2805 dated the 22nd May 1901 from the Chief Engineer who says that the project for the construction of a Combined office building amounting to Rs 67310 has been placed to be held in abeyance till the present financial pressure is over and that it is impossible to say when the work can be taken in hand and that there is no likelihood of funds becoming available for large new works for another year or two. Thus there is no probability of the work referred to by the Councillor being taken in hand in the near future.

What question to be done is (1) to cancel the plan and estimate for Rs 7646 for the Godhra Lockup building at Devangore, and (2) to pass a fresh provision for that amount in the budget, or to defer it being provided for in next year's budget. We (2) a matter for Council.

Sir

I have the honor to bring to your notice that the accommodation provided for prisoners in the two front rooms of the Taluq Cutcherry at Davangere which are used as the Taluq Lock-up is quite inadequate for requirements. There is no room for keeping the articles belonging to the Lock-up and no place for the prisoners to cook in. Besides this, these

these two rooms are required for the use of the Taluq officials and records. Under these circumstances I beg to recommend that a separate Lock-up of 10 cells on the plan of the building recently constructed at Chickmaickanhally in the Tumkur District may be erected in the compound of the Taluq Cutcherry on the Site which I have selected for the purpose in consultation with the Sub Assistant Surgeon. The favour of early action on the matter is solicited.

His official Memo No.1671/J dated the 24th December 1901, forwarding, as regards the proposal made for the construction of a separate Lock-up building at Davengere, copy of docket No. 9950/J.866 dated the 21st Idem, from the Secretary to the Govern-ment, requesting to report what the average number of accused persons confined in the Lock-up at Davengere has been for the past 3 years and whether the Taluk cutcherry at Davengere is not of the new design, and also calling for a plan of the building.

------&&&&&&------

With reference to the above, has the honor to forward herewith a statement showing separately the average number of prisoners confined in the Lock-up during the past 3 years.

2. The present Taluk cutcherry building is not of the new design as may be seen from the sketch forwarded herewith.

3. The question of constructing a building at Davengere to accommodate the Taluk cutcherry, the Munsiff's Court and the Assistant Commissioner's office has been held in abeyance in the Department of Public Works, owing to financial pressure.
